www.studentenwerk-muenchen.de/en/international/international-students-in-munich/in-preparation/insurance

2.4 OPENING A BANK ACCOUNT

As rental payments are made by bank transfer in Germany, international students, who have private accommodation, should open a bank account (Girokonto) as soon as possible after arrival. Opening a bank account and using the automatic cash dispenser (ATM) is free for students. As at the time of opening a bank account you may not yet have your LMU student ID. If this is the case, you should inform the bank about this and present it to the bank at a later date.

Exceptions: If you live in a residence of the Munich Studentenwerk and/or you have a bank account in a Eurozone country, you are not required to open a bank account in Germany.

Required Documents for Opening a Bank Account

- ▶ Official proof of residence (*Meldebescheinigung*) which you get as you register your address and, if you have student accommodation, your contract of rental
- ▶ Your LMU student ID (*LMUcard*) or admission letter (*Zulassungsbescheid*)
- ▶ A valid passport or identity card

3 PUBLIC TRANSPORT (MVV/MVG)

3.1 BASIC SEMESTER TICKET

At enrollment, students will be required to pay a mandatory student services fee. Part of this fee is for a basic semester ticket entitling students to restricted travel within the MVV network at the following times **only**:

- ▶ Monday to Friday from 18:00 to 6:00 the following day
- ▶ Saturday, Sunday, on public holidays and on 24 and 31 December (no time restrictions)

Students **must** carry their student ID (LMUcard; see *chapter 6*) and an official photo ID **at all times** when using public transport.

3.2 ISARCARD SEMESTER

Students who need to use public transport regularly will require a top-up ticket. The IsarCard Semester is an optional season ticket that is valid for the duration of one semester. This ticket entitles students to unlimited travel within the MVV network.

The IsarCard Semester can be bought at MVG ticket machines or kiosks selling MVG tickets (e.g. at underground stations). To buy a ticket you must present your student ID (LMUcard) at the kiosk or type your matriculation number into the ticket machine.

www.mvv-muenchen.de/en/tickets-and-fares/frequent-travellers/mvv-semester ticket

Important Note

- ▶ Keep the receipt for your ticket in a safe place. If you lose your season ticket, you will not be issued a substitute ticket unless you have your receipt. A replacement ticket fee of 5€ will be charged
- ▶ Buying an IsarCard Semester is not mandatory. If you do not use public transport on a regular basis, you can apply for a reduced weekly or monthly (see the MVV website).

4 HOUSING IN MUNICH

4.1 STUDENT HOUSING

Important Notes

- ▶ It is not possible to exchange the room allocated to you for another.
- ▶ Please note that you will only be able to pick up your room key from Monday to Friday from the concierge/caretaker at your residence! You will find information about where and when to pick up your keys in your rental contract.

www.studentenwerk-muenchen.de/en/student-accommodation/administrative-offices

Rent and Housing Deposit

Before you arrive you will be expected to pay 3 months' rent and a deposit of 350 € for your student room. The remaining rental payments will be made in a lump sum on your arrival.

The deposit will be returned to you about three months after the end of your stay on condition that you leave your accommodation in good order. You are responsible for paying for any damages. 100€ for incidental expenses will initially be retained.

Rental Contract

You will also have signed a rental contract. Please read the conditions of your contract very carefully and note the following:

- ▶ The length of your rental period is defined in the contract.
- ▶ If you are only planning to stay at LMU for one semester, your rental period will generally terminate at the end of February (winter semester) or at the end of July (summer semester).
- ▶ If you are planning to stay for the full academic year, the contract will generally terminate at the end of July. In some cases, the rental contract will terminate at the end of May or June.
- ▶ It is not possible to shorten or extend the rental period before or after the date stated in your contract.

Before Leaving Student Housing

- ▶ Arrange an appointment to have your room inspected and signed off by the concierge/caretaker (Hausmeister).
- ▶ Give the housing administration your bank details at home, so that the deposit can be transferred to your account. This can take up to three months.

6.2 THE ACADEMIC CALENDAR AT LMU MUNICH

Semester	Start Date	Lecture Start Date	Lecture End Date	End of Semester
Winter	1 October	Mid-October	Mid-February	End of March
Summer	1 April	Mid-April	Mid-July	End of September

www.lmu.de/international/incoming/calendar

The months of March, August and September are officially free of lectures. However, students may have examinations, additional courses, or papers to concern themselves with during these months. During the Christmas and New Year holidays (24 December - 6 January) much of the University is closed and no classes take place.

The semester dates for the Faculty of Medicine are slightly different.

www.mecum.med.uni-muenchen.de/faq/studium

6.3 COURSE AND GRADING SYSTEM

At LMU, credit for Bachelor and Master Courses are given in accordance with the European Credit Transfer System (ECTS). We recommend that you aim to take on a workload of approx. 30 ECTS per semester. Your coursework will be graded in accordance with the German grading system (1-5, with "1" being the best and "5" the worst grade).

If you receive a grade of 4 or above, then you have passed. However, there is also the option of taking non-graded lectures. If you are required to take graded courses in order to receive credit from your home university, speak with your lecturers early in the semester to see if it will be possible to get numerical grades for the courses.

Types of Courses

- ▶ **Vorlesung (Lecture):** Lectures are large scale events; attendance is not usually controlled, nor is active student participation required. At the end of a lecture series, assessment can take the form of a graded examination.
- ▶ **Grundkurs (Basic Course):** A basic course focuses on the fundamentals of your field of study and the basic investigation methodology.

6 STUDYING AT LMU MUNICH

- ▶ **Proseminar or Hauptseminar (Seminar):** In a seminar, students extend on the knowledge acquired from introductory lectures and basic courses. Students are usually required to submit a paper in written form.
- ▶ **Übung (Exercise):** In an exercise, the lecture content is extended upon and students have the opportunity to ask questions. Generally, weekly homework is assigned and followed by a discussion on the given topic.
- ▶ **Kolloquium (Colloquium):** Discussion course
- ▶ **Tutorium (Tutorial):** Revision class led by fellow students

6.4 FINDING COURSES

A comprehensive list of all lectures, seminars and courses can be found in the LMU course catalogue (*Vorlesungsverzeichnis*). About two months before the start of each semester, the catalogue associated for a given semester will be released online. Here, there will be a compiled list, and a brief description of courses.

If you need English instructions for navigating the course catalogue, it can be found on our website.

LMU's course catalogue does not always list the ECTS credit point value of each course. However, most departments list this information on their homepages. Alternatively, you can get in contact with the associated departmental coordinators to find out how many credits will be awarded for a given course.

www.lsf.lmu.de

6.5 INTRODUCTORY SESSIONS IN THE FACULTIES/DEPARTMENTS

Many departments offer introductory sessions for Erasmus+ and LMUexchange students before the semester begins. We recommend that you attend these sessions.

6 STUDYING AT LMU MUNICH

6.6 ENROLLING FOR CLASSES

Procedures for enrolling for classes vary from department to department (i.e. enrolling online or enrolling directly with the lecturer). It is therefore important that you read the information on the relevant department websites or get in contact with your departmental coordinator to find out about the enrollment procedure at your department.

www.lmu.de/international/incoming/courses

6.7 CHANGES TO LEARNING AGREEMENT

If your study plans change and you have to make changes to your original learning agreement, please have the new learning agreement approved and signed by the faculty/departmental coordinators at both LMU and your home university. This is particularly important for Erasmus+ students.

www.lmu.de/international/incoming/application

6.8 CONTINUATION OF REGISTRATION FOR THE SECOND SEMESTER

As you are only enrolled for one semester at a time, it is very important that you renew your registration for the second semester if you are planning to stay for a year. **If you do not renew you will be automatically ex-matriculated for the next semester!**

Please arrange with your bank for the fee (Studienbeitrag) to be remitted before the deadline. On successful transfer of the fee, you will be automatically re-enrolled for the second semester. Do not forget to re-validate your LMUcard at one of the validation terminals.

<https://www.lmu.de/en/workspace-for-students/abc-study-guide/continuation-of-registration/index.html>

6 STUDYING AT LMU MUNICH

6.9 TRANSCRIPT OF RECORDS

Once you have completed your study program at LMU, you will need to obtain your transcript of records. In which, all your grades and ECTS credits will be listed. Transcripts are not issued automatically. Therefore, you are responsible for initiating the transcript process.

With the exception of the Faculty of Law, the procedure is the same at all faculties/ departments. If you study Law, please contact the Faculty coordinator at: erasmus@jura.uni-muenchen.de

Steps to receive your transcript through the International Office:

- ▶ Create a timetable via LSF. You should compile your timetable after you have chosen your courses, i.e. within the first couple of weeks of the semester. If you stay for two semesters, you need to compile your timetable for each semester.
- ▶ Based on the schedule you compiled, the **lecturers** of the courses you pre-selected (and/or registered for) enter grades and ECTS credits into LSF, which will then appear on your transcript of records. Grades and credits can also be entered by study managers (instead of the lecturers themselves), depending on the organisational structures of the respective faculty or department.
- ▶ To keep track of all the exams you have taken to date, you can create a PDF of your transcript of records. This will show the courses and exams you have taken and the credit points awarded.
- ▶ The transcript has an electronic seal and is valid without signature. Should you require a transcript with signature, please contact the International Office (erasmus-incoming@lmu.de or lmexchange-incoming@lmu.de).

www.lmu.de/international/incoming/transcript

6 STUDYING AT LMU MUNICH

6.10 EX-MATRICULATION

You will be automatically ex-matriculated from LMU at the end of your study period. If you study at LMU for the winter semester only, your student status will officially end on March 31. Students, who leave at the end of the summer semester, will have student status until September 30.

Important Notes

- ▶ If you have health insurance with a German health insurance provider and plan to leave Germany immediately after completion of your studies, you may not wish to pay insurance for the months of March or August/September respectively. If this is the case, you will have to officially ex-matriculate in the *Studentenkanzlei* (www.uni-muenchen.de/studium/kontakt/studentenkanzlei) and take a copy of the ex-matriculation certificate to your health insurance provider. Your health insurance policy will then be cancelled from the date of ex-matriculation.
- ▶ Failure to notify the health insurance provider will result in you having to pay for insurance until the official end of the semester.
- ▶ It is important that the cancellation of your health insurance coincides with your date of departure. Remember that, from the date of cancellation of your policy, you are no longer insured in Germany.
- ▶ When you ex-matriculate, your LMUcard will no longer be valid. and you can no longer use the semester ticket on public transport.
