

UNIVERSITY OF TRADITIONAL MEDICINE

The University of Traditional Medicine is situated in Armenia. It is one of the pioneer medical schools that provide quality education to the students. There are more than thousands of students guided by hundreds of teachers and staff. The campus is located in the city of Yerevan, Armenia. It is recognized and accredited by WHO, MCI, ECFMG, and WFME. The medium of education in the university is English and Russian language. The local communication takes place in English, Armenian and Russian. The international student need to qualify the language test. The applicants from different nationalities can take admission after referral from the science and educational ministry of Armenia.

The duration of the medical course for graduates in UTM is for six years. The first five year focuses on theory which provides learning in different fields of medical science. The last year focuses on the training from reputed hospitals. The students applying in UTM must be above 17 years and must be a school graduate. There is no specific entrance exam, for admission while NEET is compulsory for Indian students. The advanced labs, libraries, highly educated teachers attract hundreds of students to fulfill their dream. UTM is globally recognized with no donation policy which provides exposure to students looking for quality.
